

The Privacy Policy is prepared to clarify our policies regarding the collection, use and disclosure of information that can be reported when using the LadyFly application (hereinafter referred to as the application). Please, read our Privacy Policy before providing the information about yourself in the application including the personal details.

#### 1. Your consent

By using the application you accept the terms of this Privacy Policy. By submitting the information, you consent to the collection, use and disclosure of the information in accordance with the Privacy Policy.

#### 2. Age restrictions

The application does not have the age limits.

#### 3. Active information collection

Some sections of the application can require you to enter the personal information so that you can perform some activity (for example, to email the developers of the application). At each stage of the information collection you will be informed what information is required, and what information can be left on your own.

#### 4. Concealed information collection

When using the application, some information can be secretly collected (that is, without your active providing the information) by using various technologies and tools, such as IP addresses, identification files, Internet tags and navigation data. The purpose of the given information collection is to optimize the application performance and improve its content.

#### 5. Use and disclosure of information

Unless otherwise stated, the application developer can use any information received from users to improve the content of the application, to develop the application taking into account the user preferences, to provide the users with the information (if it was requested), for marketing or research purposes or as otherwise permitted under this Privacy Policy.

We are taking the necessary steps to prevent the fusion of personal information with information obtained secretly unless you consent to such a fusion.

Personal data can also be given to third parties located in Russia and/or another country but only:

- contractors who are responsible for maintaining the business (performance of services, technical support, delivery services and financial institutions), who have agreed to use the information in accordance with this Privacy Policy;

- for responding to requests of government or judicial bodies in accordance with the Law.

In addition, any non-personal information received through the application can be used.

#### 6. Security

We take the necessary steps to protect your personal information when it is transferred and to protect this information from loss, abuse, unauthorized access, disclosure, destruction or alteration.

#### 7. Links to other Internet pages

The application can contain links or footnotes to Internet sites. Please, remember that we are not able to control other sites, and that this Privacy Policy does not apply to other sites. We recommend you to read the Privacy Policy of each website you visit.

#### 8. Contacts

If you have any questions, comments or concerns regarding our Privacy Policy or the treatment of the information in the application, please contact us:

- ladyfly.info@gmail.com

- send a message from the application in the "Feedback" section
